

Spring Term 2023 No 2

WINDOW ON OUR WORLD

Spring Time Saplings

Spring is in the air and the children have been busy investigating the early signs of Spring. We have noticed the changes happening in the garden and the different colours. We have shared lots of lovely stories and songs.

The weather is improving and we have been able to get out into the garden.

Our weather can be unpredictable and our garden can be cool in the shade, so for the time being can we ask that the children continue to bring in a coat to wear.

In Saplings and Nursery the spring flowers have given us the opportunity to do lots of still life painting.

In Saplings we have been celebrating Easter with stories, songs, egg hunts and through sensory play.

Egg-citing times in Nursery!

The children were so surprised to find a mystery egg on a nest in the garden? What could it be?

Well! What a surprise...it was a dragon's egg with baby dragons inside. The dragon also bought a delicious treat for the children to find.

Spring Time in Nursery!

The children have been observing the wonderful signs of Spring in the garden .
