Dads Day

Our Dads Day was a great success. There was an opportunity to explore the garden and identify bird pictures and make some bird cake, do bark rubbing, build animal dens and create clay hedgehogs. Indoors, children were able to build with the blocks, make shape pictures or do some box modelling.

We all enjoyed a half time snack provided by Asda and served by Amber and Simone, members of our parents fund raising group Friends of The Lawns. A big thank you to them and staff for giving up their free time.

We celebrated the Chinese New Year, the Year of the Rat. The children have become experts on the story about how the years became named after 12 different animals!

As well as sharing special artefacts and using different resources the children were able to play in the Chinese Restaurant role play area.

HELP

Have you got any old or new wind chimes to donate to add to our sound tree?

It's Half Term next week and we shall be returning on Monday 24th February
Dates for you diary:
an academic calendar is available on our website: www.thelawnsbiggleswade.org

17th to 21st February: Half Term
Friday 3rd April: Last day of Spring Term
6th to 17th April: Easter break
Monday 20th April: Inset Day
Tuesday 21st April: First day of Summer Term
Friday 8th May: Bank Holiday
25th to 29th May: Half Term
Friday 17th July: Last day of Summer Term

Saplings Ice Play
In Saplings children have been experimenting with ice. They have been able to explore the properties of the ice, cause and effect, and the impact on the ice when it is mixed with other resources.

Looking after the birds in Winter
We have been making bird cake to take home and put in the Nursery garden with the hope we get a good variety of birds visit us.

Children have been researching garden birds so that they can identify the birds when we do our bird watching sessions.

Saplings have been using resources relating to the film Frozen, which fits in with our winter theme and something little children can relate to. This has been further developed into dressing up as the characters and using small world.

Independence & Responsibility
Children have been having a go at taking responsibility for their own belongings. They have been encouraged to hang up their coats by their loops so they don’t keep falling on the floor. Children have been proudly demonstrating how they can put on their coats and some have been mastering their fastenings too!

Our Community
Thank you to all of you who put the green tokens into the Asda community scheme. We were lucky enough to win and are expecting £1,000 to be added to our fund raising account. Along with the money raised by Friends of The Lawns over the last year and other kind donations we hope to start to fit out our Sensory Room.

The Lawns has been part of the Biggleswade community since 1942 and has seen many generations of local families come through the doors, and is welcoming new faces all the time.
